Tristen,

You are most welcome.

I thought the point person was Arianne that was the last update I had but yes, if Hannah is leaving; please let me know who you all decide on.

On another note,

I am going to forward you an email I just sent to some of the staff, please have a look at it and I'd appreciate any input.

Much Appreciated,

Renée

I am seeking someone that could assist with cleaning up a bus stop that was burned in CD 11 at Main Street & Sunset, looks like the fire shattered the glass; the entire bus stop may need to be removed, do you have a contact for that area. Councilman Bonin's office is trying to get some assistance ASAP.

Please see the attachment below. Thank you

It is at the MTA lot and has heightened visibility with constituents. If you can do your best to escalate this illegal dumping and bulky item pickup, I would greatly appreciate it. Also, it is behind the fence, which was cut open by LAPD, but LASAN has permission to be on the premises of city-owned property.
